### Space and Naval Warfare Systems Center Awards Contract

SAN DIEGO — L-3 Communications Corporation, Conic Division (L-3), of San Diego, is being awarded a \$2,320,195 indefinite delivery/indefinite quantity-type contract with cost-plus-fixed-fee pricing for engineering services in support of Enhanced National Tactical Receiver (ENTR) and a fixed-priced line item for up to one hundred twenty (120) modified systems for testing and operational support. This effort provides the ENTR Program with interface modifications, the expansion of ENTR functional capabilities, and building of test/integration design units. Additionally, the effort also includes technical services for ENTR integration, test and maintenance. This will be a one-year contract with two (2) one-year options, which, if exercised, will bring the total cumulative value of this contract to \$7,440,816. The period of performance for this contract will be from 9 March 2001 to 8 March 2002. All work will be performed in San Diego. Contract funds will not expire at the end of the current fiscal year. This was a non-competitive acquisition, and the contract is being awarded under Solicitation No. N66001-00-R-5093. The notice was published in the Commerce Business Daily on 18 September 2000. One offer was received. The Space and Naval Warfare Systems Center, San Diego, is the contracting activity (N66001-01-D-5029).
